

A Workshop for Structural Pest Management Professionals

March 9 and 14, 2018

BEST PRACTICES FOR URBAN PYRETHROID APPLICATORS

Presented by

UC Statewide IPM Program

University of California Cooperative Extension

California Department of Pesticide Regulation

Cost: \$15

4.5 CE hours have been requested from both SPCB and DPR.

Topics

- Ecological impacts of pesticide runoff
- Regulatory response to monitoring data—using CA Code of regulations and product labels to inform applications
- Critical uses for and alternatives to pyrethroid applications around structures
- Hands-on activities demonstrating best practices and equipment calibration

Folsom

March 9, 2018
